

60th Annual Seminar

Wednesday 16th November 2011
9.45 a.m. – 3.30 p.m.
Courthouse Hotel
19-21 Great Marlborough Street
London W1F 7HL

'Disciplinary, interdisciplinarity and educational studies: past, present and future'

The day will explore the past, present and possible future development of the field of Educational Studies and consider notions of impact, theory and interdisciplinarity in research on how people live and learn throughout their lives.

Keynote Speakers

Professor Helen Gunter, University of Manchester
Professor Rita Hofstetter, University of Geneva
Professor Gary McCulloch, Institute of Education, University of London
Professor Bernard Schneuwly, University of Geneva

Panel Contributors

Professor Gert Biesta, University of Stirling
Professor Gemma Moss, Institute of Education, University of London
Professor William Richardson, General Secretary, Headmasters' and Headmistresses' Conference

The day will include the Society for Educational Studies Annual Book Awards.

Free to members of the Society for Educational Studies.

Non Members: £25 (for this you will also receive a year's membership to the Society, a one-year subscription to the *British Journal of Educational Studies* and other benefits).
